

Eventide PitchFactor Harmonizer Stompbox Nominated for TEC Award

LITTLE FERRY, New Jersey, August 4, 2009 – The Mix Foundation for Excellence in Audio has announced today that the Eventide PitchFactor Harmonizer® stompbox has been nominated for a 2009 Technical Excellence & Creativity Award in the category of Outstanding Technical Achievement, Signal Processing Technology/Hardware.

To register to vote, go to <http://www.broadjam.com/TEC/index.php> no later than August 9th.

Established in 1985, the TEC Awards, presented by the Mix Foundation for Excellence in Audio, was established to honor outstanding achievement in the professional audio production and product innovation. The nominations are made by a panel of more than 100 audio industry professionals. Members of professional audio and sound production organizations, including the Audio Engineering Society (AES), the Producers/Engineers Wing of the Recording Academy, SPARS and the Game Audio Network Guild will determine the winners via online balloting beginning August 10th.

The winners of the 25th Annual TEC Awards will be announced at a ceremony to be held Friday evening October 9, at the 127th AES Convention in New York City.

The PitchFactor Harmonizer® pitch and delay stompbox features:

- Up to 2 seconds of stereo delay and up to 4 voices of intelligent pitch shifting
- Software upgradeable via USB 2.0
- MIDI control via USB or MIDI in, out/thru
- Instant program change
- Real-time control with 10 knobs, MIDI, or expression pedal
- Tap tempo and MIDI clock sync
- True analog bypass
- Rugged cast metal construction
- Reliable metal footswitches for instant preset access
- Mono or stereo operation
- Guitar or line level inputs and outputs
- Integrated Tuner
- Bass Guitar Mode

PitchFactor includes Eventide's 10 best signature pitch+delay effects and 100 presets:

Diatonic	PitchFlex™
